This certification remains valid until such time your products are no longer subject to a valid certification agreement, or that Green Seal has reason to believe, based on the results of our ongoing monitoring program or otherwise, that your products no longer comply with applicable standards.

As a reminder, any use of the Green Seal Mark or reference to Green Seal needs to be approved by Green Seal and conform to the Rules Governing the Use of the Green Seal Certification Mark. Please forward all new or revised packaging or marketing materials to certification@greenseal.org for approval prior to production.

To get the most benefit from your Green Seal certification, we encourage you to contact a member of our Marketing & Communications department at marketing@greenseal.org. They can help support you in promoting and effectively communicating your certification with a range of graphics and tools

We look forward to continuing this relationship!

Sincerely,
