DAYCON WELCOMES CHRIS NORGREN AS NEW VICE PRESIDENT OF SALES

Upper Marlboro, MD: May 31, 2017– Daycon Products Company, Inc., a leading distributor and manufacturer of green and healthy cleaning products and solutions on the East Coast, announces the appointment of Chris Norgren, as the Vice President of Sales.

A highly accomplished senior executive with strong experience in building organizations and teams, Chris has a 30 year history of success in the janitorial and maintenance supply business, playing key roles in many vertical segments of the cleaning industry. His unique set of skills and understanding of the industry includes an in-depth knowledge of the chemical manufacturing and janitorial service industries. Prior to his appointment, Chris was most recently Executive Vice President and Chief Revenue Officer for Carroll Company, headquartered in Garland, Texas. Chris is an exceptional business leader who has held leadership positions in a number of different ownership sectors including Family, Private Equity and Publically held businesses. Chris' credentials cover many proficiencies such as CEO, President & COO, Regional President and Sr. V.P. of Sales. Additionally, Chris serves on several non-profit and for-profit boards.

"As Daycon continues to expand its reach, we are constantly looking for great people and we have found just that in Chris Norgren," said Howard Cohen, CEO of Daycon Products Co. "We are thrilled that Chris has chosen to join the Daycon team. He brings a vast amount of valuable knowledge and experience from both the Jan San industry as well as the Building Service Contractor Industry - that is a rare combination that will further our efforts to provide the best possible service and products to our customers. We want to welcome Chris, Lori and the rest of the Norgren family to Daycon."

"I am very pleased to join a company whose values are very close to mine - integrity, accountability and respect," said Mr. Norgren, "I am energized to be a part of their culture and their vision."

About Daycon Products

Founded in 1942 by David A. Cohen, Daycon is in its third generation of family leadership. It has grown from a regional supplier of cleaning chemicals and products to an industry leader in training, consulting, sustainability practices, vendor managed inventory programs, and the manufacturing of Green Seal™ certified and EcoLogo® certified chemical cleaners. In 2005, Daycon founded the [Building Wellness Institute](#), a leading resource for assessment and consulting services in healthy and sustainable cleaning practices, as well as the nation's only accredited provider of training that is recognized by Green Seal.
