DEGREEZE-302

Heavy-Duty Degreaser & Emulsifier

Specifications:

Appearance: Clear Liquid
Color: Green
Odor: Detergent
Use Dilution: 1:32
Storage Stability: Two years minimum in sealed container
Protective Clothing: Neoprene or nitrile gloves. Splash proof safety goggles.
VOC's, % as is: 0 gm/liter
Product Conformance: Manufactured by an ISO 9001:2015 registered company.

Comment:

Improper use dilution may result in damage to surfaces and may increase the risk of health effects. Spectra System 3 Degreaze-302 is a true, all-purpose, heavy-duty detergent. Will not corrode metal, and is safe on most industrial and commercial paints and permanent seals.

Directions:

Insert bottle into any Daycon Spectra System 3 dilution control system and dispense product accordingly, into bucket or spray bottle. This product is recommended to be used with cold water from the tap and is dispensed at a 1:32 dilution ratio. Spectra 302 can be used in auto-scrubbers, foam apparatus, pressure washers, and spray bottles.

Packaging:

Gallon (4 per case)
Item Code: 103302

Date:

April 11, 2017

Description:

Spectra System 3 Degreaze-302 is a heavy-duty degreaser and emulsifier certified by Green Seal™ as meeting their GS-37 environmental standard for Industrial and Institutional cleaners. It is designed for use in difficult-to-clean areas such as trash rooms, kitchens, garages, machine shops, warehouses, truck and bus cleaning stations, and public facilities. It is highly concentrated; only 4 ounces per gallon of water (1:32 dilution ratio) is required. Spectra System 3 Degreaze-302 is readily biodegradable, and contains no organic or chlorinated solvents, caustics, or acids. It will not corrode metal and is safe on most industrial and commercial paints and permanent seals. It can be used in foam apparatus and pressure washers. Spectra System 3 Degreaze-302 is packaged with dilution-controlled tamperproof inserts. The product is ready for quick-and-easy connection to the Spectra System 3 dispensers.

Green Seal Certification Statement: This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

Benefits:

- Green Seal™ Certified
- Biodegradable
- Pleasant to use, contains no organic or chlorinated solvents, ammonia, caustics, or acid
- Emulsifies oil and grease better than competitive products
- Highly concentrated for economy of use
- Can be used in automatic scrubbers
- Removes exhaust, soot and road film without solvents or strong alkalis

Product Disposal:

This product is non-hazardous material. Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.
