# SPECTRA SYSTEM 1 TRIAD - 5

## *Encapsulating Carpet Cleaner Formula*

### Description:

Spectra 5 is an environmentally responsible carpet cleaner that carries the Green Seal™ GS-37 seal of approval for “green” cleaning and the Carpet & Rug Institute’s seal of approval for superior performing carpet cleaning products. It is a high-efficiency, deep cleaning, encapsulating carpet cleaner for use in carpet extraction, shampooing, and bonnet cleaning. It may be used in all extraction equipment and on all types of carpet. Spectra 5 is highly effective on oily types of soil as well as most other common soils and stains. It also enhances soil resistance and allows the carpet to stay cleaner longer. This unique blend of detergents is safe on stain resistant carpets because of its low alkalinity and it is easy to work with because it already contains defoamer and odor counteractant. Spectra 5 is readily biodegradable and is free of phosphates, strong alkalis, and solvents. This product is recommended to be used with cold water from the tap.

**Green Seal Certification Statement:** This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

### Benefits:

- High-efficiency deep-cleaning formula
- Low foaming
- Built-in odor counteractants
- Enhances the soil resistance of the carpet
- Safe for stain resistant carpets (low alkalinity)
- Biodegradable, phosphate free
- Will not cause carpet brown-out
- No VOC's
- Green Seal Certified and Carpet and Rug Institute Approved

### Specifications:

Appearance	Clear liquid
Color:	Pale pink
Odor:	Morning mist
Use Dilution:	1:42
Storage Stability:	Two years minimum in sealed container
Protective Clothing:	Neoprene or nitrile gloves. Splash proof safety goggles.
VOC's, % as is:	0
Product Conformance:	Manufactured by an ISO 9001:2015 registered company.

### Comments:

Improper use dilution may result in damage to surfaces and may increase the risk of health effects. This product is recommended to be used with cold water from the tap. Always, test the cleanability of cotton and oriental carpeting before you use any detergent extraction system.

**Directions:** This product is recommended to be used with cold water from the tap at a 42:1 dilution ratio or 3 oz. per gallon of water. Use for carpet extraction, bonnet cleaning, and general purpose spotting.

**Product Disposal:** This product is non-hazardous material. Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.
