# Anti-Stat

## Spray Concentrate

**Description:** Anti-Stat is a spray concentrate designed for use on all types of carpeting and fabrics that cause a static problem. For offices, computer areas, hotels, motels, nursing homes, schools, hospitals, and many other areas. Anti-Stat is easy-to-apply (lightly spray complete surface) and does not leave an oily or tacky residue. Product will not discolor and is odorless.

- Benefits:**
- Economical—one quart of Anti-Stat makes one gallon of spray
  - Prevents static shocks
  - Treated surfaces release dust and lint faster and easier
  - Helps reduce static damage to computer and other micro-processing equipment
  - Mixed spray can be stored for thirty days minimum
  - Anti-Stat remains active until it is removed by wet cleaning

**Specifications:**
