AW-70 ***Grout Cleaner for Granite and Ceramic Tile***

AW-70 is ideal for cleaning grout lines on granite, ceramic, porcelain, quarry tile, and brick. AW-70 will bite through any dirty grout problem. AW-70 does not waste any time eating through any grimy grout left behind by regular cleaners. As always, read all instructions before you begin. **Not for use on marble, travertine or limestone.**

Standard Application:

1. Dilute 1 to 1 with water: add AW-70 to the water.
2. Apply solution to the floor surface and allow to stand for 5 minutes.
3. Agitate with a brush. Do not let the floor dry out! Rinse with clear water.
4. Wet vacuum.
5. Neutralize with Poly Strip
6. Wet vacuum.
7. Rinse with clear water.
8. Wet Vac and let thoroughly dry.
9. Apply Kleer Seal.
